Terms of Guarantee

3 Years Guarantee!

1) The Guarantee covers all the above in case of failure of a material or bad workmanship during construction. The guarantee does not cover damages caused from the owners after delivery, wear from usage of the property or wear due to natural causes. The guarantee does not cover any problem or damage related to any change or addition to the property carried out after the actual delivery date.

2) Guarantee for the solar panels excludes the immersion heater.
